Let us be the first stop on
your road to success!

Your One-Stop For Total Transportation Training

Class 'A' Training Center offers over 50 years of transportation training experience to make customers and drivers successful in their operations and career paths.

Whether you are interested in local, regional or over-the-road driving, Class 'A' is here to handle all of your CDL training needs.

We offer instant solutions for driver placement/hiring, safety training and consulting, accident analysis, claim services, and HazMat. State-of-the-art technology training provides students advanced skill training and knowledge.

Come experience CDL Training at it's best!

Features

- 4:1 Student/Teacher Ratio
- State-of-the-Art Simulator Training - we are the only private school in the U.S. with a TranSim VSIII simulator!
- On-the-Job Training
- Pre-hires with Carriers Prior to Completing Class
- Lifetime Job Placement Assistance
- Tuition Assistance

Schedule

Our truck driver training courses, including the Class A 160 and 80-hour programs and the Class B program offer weekly and weekend starts.

Financing

We offer a full line of financing options for your tuition needs. Each Customer Services Representative will review in detail the options that best suits your needs.
